7600-E LEESBURG PIKE, SUITE 100 // FALLS CHURCH, VA 22043-2004
PHONE: (703) 761-1146 // FAX: (703) 761-1148 // WWW.VPPPA.ORG

Recognizing Models of Safety and Health Excellence

The VPPPA Annual Awards recognize those VPPPA member sites and individuals that have made exceptional contributions to the mission of VPPPA during the **previous year**. These pioneers in safety and health have shared their knowledge of safe practices with others or developed new techniques to create a safer, healthier work environment.

Award winners will be recognized at the 26th Annual National VPPPA Conference, August 23-26, 2010, in Orlando, FL. Winners will receive a commemorative award and gain visibility in VPPPA publications. In addition, a letter of distinction will be sent to key individuals, including the winner's CEO, plant manager and officials from the Occupational Safety & Health Administration (OSHA), the Department of Energy (DOE) or state plans.

// VPPPA Mission: To be a leader in health and safety excellence through cooperation among communities, workers, industries and governments.

Eligibility

The nominee(s) must be a site or an employee of a Full, Associate, Corporate, Agency or Non-Profit Organization member site of VPPPA in good standing.

Award Categories

VPPPA awards individuals, sites or companies in each of the following categories. Candidates may be nominated for more than one category as long as they have separate and distinct applications and supporting materials for each award category. Candidates are eligible to win in more than one category.

// Outreach : extending services or assistance beyond current or usual limits

VPP Outreach Award

The purpose of the VPP Outreach Award is to provide recognition for our "VPP Ambassadors." This award recognizes those who achieve an outstanding level of outreach activity and encourage others to share their knowledge. Reaching out to communicate and persuade others of the benefits of pursuing OSHA, DOE or state-plan VPP approval is an important part of the mission of VPPPA. Another part of the mission is to persuade other government regulatory agencies to adopt similar programs. The VPP Outreach Award is for an individual, worksite or company that has done an extraordinary amount of work in these areas.

Safety and Health Outreach Award

The purpose of the Safety and Health Outreach Award is to provide recognition for our "VPP Models," who reach out to share the safety, health, technical and management expertise developed at their sites. The award is for an individual, worksite or company that has achieved an outstanding level of outreach in the safety and health arena, not directly encompassing VPP.

// Innovation : the introduction of something new

VPP Innovation Award

The purpose of the VPP Innovation Award is to provide recognition for an individual, worksite or company that has developed and successfully implemented an innovation, encouraged others to try new approaches and emphasized the value of creativity and flexibility in the resolution of worker safety and health problems. The innovation may be program-related or of a technical nature.

2009 Safety and Health Outreach Award Winner

"I am truly honored to accept the 2009 VPPPA Safety and Health Outreach Award and would like to thank VPPPA for its tireless efforts and support of all safety professionals. We cannot share with others those things that we do not know, and we cannot gain new insights in those things we do without an exchange of ideas and best work practices. VPPPA provides this forum along with an unlimited network of experienced-based professionals who are always willing to give a hand, lend an ear or share an idea. This recognition, although humbling, reinvigorates my efforts to make certain that 'safety' is never the best kept secret but is instead shared with as many as possible. Safety, after all, is an investment in yourself, your family and your community."

» Rudy Lopez, Risk Manager, County Line Framing

All nominations must be received by May 3, 2010. Prepare your entry today!

Selection Criteria for the Outreach Awards

The VPPPA Awards Committee will make its judgment based on the following criteria:

// Effort Involved

The committee will look at a variety of aspects of efforts, including the commitment of resources (such as staff time, travel and/or dollars invested); or for a group award, the variety of people (such as hourly workers, plant managers and corporate officers) involved.

// Impact

VPP OUTREACH AWARD

The committee will consider the impact of the previous year's outreach efforts on VPP in terms of the number of people, locations, companies and industries receiving outreach. This includes the relationship of the nominee with the organization that received the outreach (such as whether it is a direct competitor or completely different industry) and whether this was a single outreach effort or part of a series. VPPPA will also consider evidence of results such as VPP application problems solved, VPP Application Workshop® attendance generated, VPP applications submitted and VPP approvals.

SAFETY AND HEALTH OUTREACH AWARD

The committee will consider the impact of the outreach efforts during the previous year in terms of the number of people, locations, companies and industries receiving outreach. This includes the relationship of the nominee with the organization that received the outreach (such as whether it is a direct competitor or completely different industry) and any known problems solved by the outreach and demonstrated results.

// Originality

The committee will consider whether any unique approaches or mechanisms were used in the outreach that could be utilized by other VPPPA members.

Selection Criteria for the Innovation Award

The VPPPA Awards Committee will make its judgment based on the following criteria:

// Degree of Innovation

The committee will judge how significant the change is (how new and different) compared to approaches already in use across the country. The innovation may be technical protection or control of a hazard, a management system or a combination of the two. It should be a first of its kind.

// Impact at the Nominee(s) Site(s)

The committee will be interested in what difference the innovation has made at the site in the previous year. The impact need not necessarily be quantified, such as reduction of injuries or workers' compensation costs, but may include an increase of worker acceptance of needed protection. The nominator would be expected to give evidence of this impact.

// Impact on Others, Nationally or Globally

The committee will be interested in the innovation's impact on other companies where it has been adopted and OSHA's opinion of the innovation. This may be measured by the number of visits to the nominee's site to see and discuss the innovation, requests to make visits to other sites or meetings to explain the innovation, requests for interviews or articles concerning the innovation by the media, use of the innovation by other sites and any evidence of impact known to these other sites as a result.

2009 VPP Outreach Award Winner

"The Illinois Refining Division of Marathon Petroleum Company LLC is extremely honored and grateful to be the recipient of the 2009 VPP Outreach Award. We would like to thank OSHA and VPPPA for their dedication to keep VPP a vibrant and growing program. This award is truly a testament of the ongoing commitment to health and safety excellence from our employees and contractor workforce. Mentoring twelve of our contractors in the VPP process has been a rewarding experience for our organization, and we are particularly proud that seven of them have either achieved or have been recommended for VPP Star status."

» C. Tracy Case, Division Manager,
Marathon Petroleum Company LLC

VPPPA Annual Awards Nomination Form

TO SUBMIT AN ENTRY, PLEASE FOLLOW THESE THREE EASY STEPS:

1 Complete the nomination form, nomination checklist and typed explanation (with additional papers, photos and drawings, if needed).

2 Secure a minimum of two specific letters of recommendation, other than from the nominator.

3 All nominations must be received by VPPPA by **May 3, 2010.**

// **BY E-MAIL (PREFERRED):**
Membership@vpppa.org

// **BY MAIL: Membership Department**
VPPPA, 7600-E Leesburg Pike, Suite 100
Falls Church, VA 22043-2004

// **BY FAX: Membership Department**
